work&life zug believes that...

**Our Philosophy**

work&life Zug believes that children of all ages thrive in a safe and nurturing environment with diverse learning opportunities to explore and discover. Daily routines and activities enhance creativity, curiosity, as well as, emotional and social independence.

...children excel in small groups with qualified teachers and childcare professionals..

...children require a variety of activities focusing on tactile, audio and visual experiences for optimal learning.

...children need a balance of independent and cooperative learning opportunities.
